PROGRAM POLICIES

LOANER KITS

In order to be eligible to receive a loaner kit, groups must complete the SBA membership request form and forward the annual fee of \$50.00 to the SBA office.

Priority will be given to SBA applications as follows:

- Schools/groups that wish to become affiliated members of the SBA, form leagues or participate in sanctioned tournaments will be given first priority;
- Areas with natural ice will have priority in December, January and February. Areas with artificial ice will have priority in October, November and March;
- Schools/groups new to the loaner kit program;
- Schools/groups interested in skills clinics.

In all cases we anticipate full usage of this equipment for a number of different grades and classes within a school.

Policies:

- Groups will receive the equipment for a two-week period;
- Each group must be able to physically pick up and drop off the kit in their scheduled time frame
- Shipping the kit is no longer an option due to incredibly high shipping rates.
- All forms must be completed properly and sent into the SBA office on time;
- Groups will be charged for loss or damage to equipment.

CLINIC PROGRAM

Instructors are available to come out to your community to teach the skills and rules of broomball. Clinics are available for groups of all ages from kindergarten to adults.

- The host group is required to pay the instructors mileage (\$.40/km payable to the SBA). All other instructor costs are sponsored by the SBA;

- Helmets must be worn by all participants (including teachers, instructors, and helpers);
- Organizers/teachers must be in attendance at all times during a clinic.
