OVERTIME RULES:

All categories (except for M & B) will play 10 minutes of sudden death 3 on 3 with goaltenders.

If team is assessed a penalty they remain at 3 players and the team with the advantage increases to 4 players. When the penalty expires the penalized player goes on the ice. Play continues at 4 or 4 until a stoppage in play, and then both teams revert to 3 on 3. If a second penalty occurs for the same team, then the team with the advantage increases to 5. Never does a team play with less than 3 players. During an overtime period, there will be 3 on 3 with a goalie for the first 10 minutes and in the even a penalty is called, the player coming out for the non-penalized team has to be of the same sex as the player that got the penalty.

If a second overtime is needed, it will be an 18 minute period, 4 on 4 with no goalie until a goal is scored.
