The Sport of Broomball...

Broomball is an exciting, competitive sport enjoyed by thousands of players of every age and ability. The unique concept of running under control, on ice, is something that must be experienced to be appreciated. As well, the stick skills of the game are very challenging and fun to master.

The Saskatchewan Broomball Association (SBA) exists to promote this great game within the province. The SBA offers a wide variety of recreation and competitive programs for all participants. We hope that your group will take an interest in Broomball this season!

Loaner Kit Program

The loaner kit program provides groups the opportunity to participate in the sport of broomball by having access to proper equipment. Included in these kits are roughly 40 pairs of broomball shoes, 20 brooms, 20 balls and basic instructional materials. We have Senior Kits that include shoe sizes from 3 – 12 with the majority sizes 7 and up and Junior Kits that include shoe sizes from 3 – 10 with the majority sizes 7 and under.

Policies:

- Groups can use the equipment for a two-week period;
- Each group must return the equipment before the end of their second week, so the next school is able to receive.
- Groups pay for the costs of shipping when the equipment is sent to the next group;
- All forms must be completed properly and sent into the SBA office;
- Groups will be charged for loss or damage to equipment.

Follow these steps to access and use the Loaner Kit Program:

- ❑ Complete the SBA request form and forward it with the annual membership fee of \$50.00 to the SBA office.
- ❑ You will receive a confirmation letter indicating the dates and details of your loaner period.
- ❑ Sign a Release Form and fax or email to the SBA office no later than one week prior to receiving the kit.
- ❑ **Complete an inventory of the equipment as soon as the kit has been received – fax or email this form to the SBA office.**
- ❑ Complete an inventory of the equipment before it is sent to the next group and complete the follow-up form – fax or email these forms to the SBA office.

Skills Clinic Program
