

The Saskatoon Goldbroom tournament is a 40 year legacy. This tournament has developed a reputation of operating a first class tournament with the excellent level of competition right from the first tournament in 1971. Thanks to the efforts of tournament founder Bob Dobni the Goldbroom has become a venue that attracts teams and players from Western Canada, North West Territories, to all of North America. When this event started we couldn't have imagined the success or longevity that the Goldbroom has endured. The caliber of play and the competition continues from year to year. 40 years is a significant milestone in any sport.

I would like to invite you to the 43rd Annual Gold Broom tournament held in Saskatoon on Feb 7th, 8th, and 9th, 2014. In saying all this, I would like to
