SBA Awards and Recognition Night

The SBA Awards and Recognition Night is scheduled for September 16th in Regina. As of today we still do not have a group to host the event in Regina. This is a great opportunity for a team or league to help out and raise a few dollars for its programs.

The following are required for the Awards Night:

1. A room that can hold approximately 100 people – it is preferable if we can get this room at no charge, but if that is not possible, the SBA is responsible for paying the rental charge on the room.
2. The people – this will be a special night for the award winners, so the more people we can get to share in this evening the better it will be for everyone. The host is responsible for ensuring people attend the event.
3. Bar – the host is responsible for the purchase of items to operate a bar (including the permit). All revenue incurred from the bar will go to the host group.
4. Food – it is the hosts responsibility to make arrangements and purchase the food that will be served that evening.
5. Winners Tickets – the SBA will pay the host for all tickets that will given to the award winners.
6. Awards – the SBA will pay for the awards given that evening.
7. Income generated – the host will collect at the door and will receive all the income generated.

If anyone is interested in hosting or has more questions about what it takes to host, please contact the SBA office at 780-9215 or send an email to saskbroomball@sasktel.net
