## SBA Board of Directors Meetings

The SBA AGM will be held in Saskatoon September 16<sup>th</sup>, 2017. All bylaw and policy changes will be sent out on August 16<sup>th</sup>. Please contact the SBA office or go to the SBA website at [www.saskbroomball.ca](http://www.saskbroomball.ca) for more meeting information. We have a few positions open on the Board if you are interested please contact Stacey at the SBA office.

### Lace to the Top Program

#### Broomball Canada Skill Development Program

The Lace to the Top program has been specifically designed for the young Broomball player. The player will participate in Broomball activities while progressing through five skill levels. At each level, the player will earn a specific shoe lace tag color (White, Light Blue, Green, Dark Blue and Red). The Lace to the Top Program will help develop skilled Broomball players and give those players a reminder of how much they have developed. When the SBA receives more information on this program from the CBF, we will forward to our Minor Broomball team contacts.

## Broomball For Fun (BF<sup>2</sup>)

New Youth program (16 & under)

[www.broomball.ca](http://www.broomball.ca)

Heritage Canada, Sport Canada and the Canadian Broomball Federation are proud to present a new Youth program for kids under 16 across Canada. The main goal of BF<sup>2</sup> (Broomball for Fun) is to have fun by playing Broomball and introduce young Canadian's to the basics of this friendly spirited sport. Registration is free of charge and by registering you will receive a Broomball survival kit and a chance to get free Broomball equipment (brooms and balls). If you are interested, please fill out the registration form on the CBF website homepage and the CBF Youth Coordinator will be in contact with you with information to get your organization started.

### OFFICIALS CLINIC DATES: MARK YOUR CALENDARS

REGINA: TBA by SBA AGM

---

Please remember to get your Criminal record checks done earlier rather than later! Some towns have a 120 day wait for return on them. Last year we would accept that it was submitted, this year we will not. **Also remember, any teams attending Nationals, all coaches and managers need to take their CRC with them to the event and have them on hand to show the host.** So please start looking into getting these done in September, so that you don't end up not getting to sit on the bench due to this hold up! If you have any questions contact Stacey at 780-9215.

All tournament results can be found on the SBA website at [www.saskbroomball.ca](http://www.saskbroomball.ca) under the Events Section.

## **BROOMBALL TO COMPETE (BTC) COACHING CLINIC – September/October Fall 2017**

The Saskatchewan Broomball Association and Broomball Canada are looking to host a Broomball to Compete Coaching Clinic in the fall of 2016. Are there any communities interested in hosting this clinic?

The Broomball to Compete Clinic (BTC) is replacing both the old Level 1 and the Level 2 coaching programs. Training in the BTC context will consist of a 15 hour workshop and modules that cover topics such as Skills Foundation, Planning, Skills Analysis, and Teaching and Supporting the Athlete. The coach will also be required to complete a 3.5 hour Making Ethical Decisions workshop in order to become BTC Trained.

For a coach to become BTC Certified, the coach will be required to build a portfolio that includes 3 lesson plans, an emergency action plan, a skills analysis assignment, and a completed self-assessment and peer assessment. They will also need to be observed coaching in a practice setting in person or by submitting a video to a qualified evaluator (SK has 2 certified Evaluators). The final step will be to complete an online evaluation of the Making Ethical Decisions module.

Certification will be for a five year period after registration as “Certified”. Certification will be maintained provided the coach has been active for two years of the five year period and has obtained three professional development credits during the certification period.

The SBA has minimum requirements for its coaches that intend on coaching at the Minor and Senior Levels. These minimum requirements are Fully Certified Level 1 (from the old coaching system) or BTC Certified (new coaching system). As of 2013 Broomball Canada will require coaches at the Nationals to be BTC Certified. Plus we expect down the road all coaches will be required to have their BTC to coach at any Saskatchewan Provincials.

We are very fortunate that Broomball Canada has chosen to host another BTC course in Saskatchewan and we encourage all interested coaches to attend this clinic. The cost to register for the BTC course is \$300.00 payable to the SBA. There also is a Making Ethical Decisions course you’ll need to complete and that’s an online course (paid online) and it’s \$85. A portion of these fees may be recovered through your team MAP Grant eligibility. Please refer to the MAP Grant guidelines for your category for details on this eligibility.

The clinic timelines are as follows: (date could change)

Friday – 7:00pm – 10:00pm

Saturday – 8:30am – 7:00pm

Sunday – 9:00am – 3:00pm

\*Registration will begin at 6:30pm on Friday.

## **BROOMBALL TO COMPETE (BTC) EVALUATIONS**

The CBF have announced that all coaches who are coaching at Senior or Juvenile Nationals effective 2017 will need to be fully Certified BTC coaches, which means they will need to complete their Evaluations in order to be on the bench at Nationals. Any coaches in the Mixed/Co-Ed Category have until 2018 to be fully Certified BTC.

**Any of the coaches in Saskatchewan who took the BTC course in Regina in 2012 MUST get their Evaluation done this year or their BTC training will lapse (as it's the 5 year deadline) and they will have to retake the BTC training over again. Anyone who has taken it in 2013 or 2014, the SBA advises you start making a plan to have your evaluations done as well so you don't fall into this tight of a deadline.**

If there are multiple coaches in one area who need evaluations, please coordinate this with those coaches, as the CBF will not send out an evaluator for 1 coach, it must be cost effective to do this. Please get in touch with the CBF regarding your Evaluation and then they will get in touch with an Evaluator for you to complete this process. You'll be asked to complete your portfolio (which was part of your training packages) and send that into the CBF as well. If you have questions about this you can call Stacey at the SBA office, just remember though it's not managed through the SBA.
