OVERTIME RULES:

All categories (except for M & B) will play 10 minutes of sudden death 3 on 3 with goaltenders.

If team is assessed a penalty they remain at 3 players and the team with the advantage increases to 4 players. When the penalty expires the penalized player goes on the ice. Play continues at 4 or 4 until a stoppage in play, and then both teams revert to 3 on 3. If a second penalty occurs for the same team, then the team with the advantage increases to 5. Never does a team play with less than 3 players.

If a second overtime is needed, it will be an 18 minute period, 4 on 4 with no goalie until a goal is scored.

**This motion was passed at the SBA AGM on September 17th, 2016.

There isn't a need for overtime in round robin games if no one is eliminated.

If a team is eliminated in round robin this is when you use overtime or mini games.

Mini games are better for time constraints, therefore recommended.

Time should be allowed in draw for this.

NO OVERTIME IN ROUND ROBIN
