The Saskatchewan Broomball Association held its annual "Sport for All Raffle" draw on March 6th, 2013. Once again terrific prizes, dedicated seller groups, and generous sponsorship made the raffle a success.

The raffle aids in the development of Broomball throughout the Province by providing funding for promotional clinics and programs; Minor player development; tournaments, provincial, and national competitions; coaching programs; officials development; Aboriginal development; member programs and league development. These are just some of the projects that the SBA is able to operate as a result of raffle funds.

Thank you to everyone who participated in this year's raffle, your support is greatly appreciated.

Lace to the Top Program Broomball Canada Skill Development Program

The Lace to the Top program has been specifically designed for the young Broomball player. The player will participate in Broomball activities while progressing through five skill levels. At each level, the player will earn a specific shoe lace tag color (White, Light Blue, Green, Dark Blue and Red). The Lace to the Top Program will help develop skilled Broomball players and give those players a reminder of how much they have developed. When the SBA receives more information on this program from the CBF, we will forward to our Minor Broomball team contacts.

After 49 years of competitive Senior Mens Broomball this player played his last game in March of 2012. He started out as a goalie, then centre, wing, defence and back to goalie – full circle. You know him as the “Man in Gray”, #2 – Always striving to be #1, 6th Man Attack - Mr. Broomball himself Joe Schlechter.

Joe has won several awards, 1st Team All-stars, Provincial Gold medals and MVP's, along with a Bronze medal at the first Canadian Nationals in Calgary. One MVP Award that comes to mind was at the first World's Championships in Victoria, in the Mixed Division at the age of 41.

Doctors told him he'd never play Broomball again after he broke his neck in our motor vehicle accident in 1981. Joe trained, rebuilt and came back to the game the following year and won the City “A” Championships.

You'll continue to see Joe at future Broomball tournaments as he coaches the Regina Ladies Ice Devils team.

This past April, Joe was inducted into the Canadian Broomball Federation Hall of Fame under the Category of Coach and along with that he was awarded a top honor of Coach of the Year at the 2013 Senior Nationals in Regina.

The Saskatchewan Broomball Association would like to congratulate Joe on these prestigious honors and look forward to him being part of our Saskatchewan Broomball group for many more years to come!

Respect in Sport (RiS) Policy

Purpose of the Policy:

The Saskatchewan Broomball Association is committed to creating a sport environment in which all individuals are treated with respect and dignity. Coaches have a responsibility to create a sporting environment that is free of harassment, abuse, bullying and neglect.

Respect in Sport is an on-line training course for coaches and sport leaders. It is designed as a tool to assist coaches in identifying and dealing with abuse, neglect, harassment, and bullying in sport. The program provides coaches with tools which will assist them in their ability to deal with legal and moral responsibilities, making them less vulnerable and more confident in dealing with sensitive issues. This program is a risk management tool, which can assist Saskatchewan Broomball Association members to reduce liability.

The Saskatchewan Broomball Association requires that all coaches participating in Broomball have completed the online Respect in Sport (RiS) certification (or equivalency*), as required by Sask Sport Inc.

*Coaches who have taken the new NCCP Empower+ module, Respect in School or the Hockey Canada Speak Out Program will be given equivalency to the Respect in Sport.

Scope and Application:

- The policy applies to all coaches/managers registered or named on an official sport roster under the membership jurisdiction of the Saskatchewan Broomball Association.
- Coaches not holding valid certification will have until December 31st of each year to complete the RiS certification training or training equivalency such as NCCP Empower+, Hockey's "Speak Out" program or Respect in School program.
- The Saskatchewan Broomball Association is responsible for setting out the communication strategy specific to the certification requirements and deadline.

Enforcement:

- Any coach not having RiS certification (or equivalency) by the deadline established will be removed as a coach until such time that the course is completed.
- Non-compliance with this policy may result in further discipline as determined by the Board of Directors or in accordance with The Saskatchewan Broomball Association policy.

The Saskatchewan Broomball Association has implemented this policy effective immediately. All head coaches will be required to complete this online training by December 31st of 2013 in order to coach. All non-playing members on the bench along with the head coach will have until December 31st of 2014. This is a mandatory program in order to coach the sport of Broomball. If you have any questions, please refer to our website for FAQ's at www.saskbroomball.ca or call Stacey at 306-780-9215.

BROOMBALL TO COMPETE (BTC) COACHING CLINIC – Fall 2013

The Saskatchewan Broomball Association and Broomball Canada are hosting a Broomball to Compete Coaching Clinic in Regina, SK on the weekend of November 15 – 17, 2013. We are inviting all coaches that are interested in coaching at the Minor or the Senior Level in Saskatchewan to attend.

The Broomball to Compete Clinic (BTC) is replacing both the old Level 1 and the Level 2 coaching programs. Training in the BTC context will consist of a 15 hour workshop and modules that cover topics such as Skills Foundation, Planning, Skills Analysis, and Teaching and Supporting the Athlete. The coach will also be required to complete a 3.5 hour Making Ethical Decisions workshop in order to become BTC Trained.

For a coach to become BTC Certified, the coach will be required to build a portfolio that includes 3 lesson plans, an emergency action plan, a skills analysis assignment, and a completed self-assessment and peer assessment. They will also need to be observed coaching in a practice setting in person or by submitting a video to a qualified evaluator (SK has 2 certified Evaluators). The final step will be to complete an online evaluation of the Making Ethical Decisions module.

Certification will be for a five year period after registration as “Certified”. Certification will be maintained provided the coach has been active for two years of the five year period and has obtained three professional development credits during the certification period.

The SBA has minimum requirements for its coaches that intend on coaching at the Minor and Senior Levels. These minimum requirements are Fully Certified Level 1 (from the old coaching system) or BTC Certified (new coaching system). As of 2013 Broomball Canada will require coaches at the Nationals to be BTC Certified. Plus we expect down the road all coaches will be required to have their BTC to coach at any Saskatchewan Provincials.

We are very fortunate that Broomball Canada has chosen to host another BTC course in Saskatchewan and we encourage all interested coaches to attend this clinic. The cost to register for the BTC course is \$200.00 payable to the SBA. The cost for the evaluation portion will be an additional \$150.00. If a coach chooses to pay for both the clinic and the evaluation, the cost will be \$300.00 (a discount of \$50.00). A portion of these fees may be recovered through your team MAP Grant eligibility. Please refer to the MAP Grant guidelines for your category for details on this eligibility.

The clinic timelines are as follows:

Friday, November 15 – 7:00pm – 10:00pm

Saturday, November 16 – 8:30am – 7:00pm

Sunday, November 17 – 9:00am – 3:00pm

*Registration will begin at 6:30pm on Friday.

Please fill out the registration form and mail, email or fax it to the SBA office. (Form can be found on the SBA website). **Registration deadline for the clinic is Friday October 25th.**
