Lace to the Top Program

Broomball Canada Skill Development Program

The Lace to the Top program has been specifically designed for the young Broomball player. The player will participate in Broomball activities while progressing through five skill levels. At each level, the player will earn a specific shoe lace tag color (White, Light Blue, Green, Dark Blue and Red). The Lace to the Top Program will help develop skilled Broomball players and give those players a reminder of how much they have developed. When the SBA receives more information on this program from the CBF, we will forward to our Minor Broomball team contacts.

Registration is free of charge and by registering you will receive a Broomball survival kit and a chance to get free Broomball equipment (brooms and balls). If you are interested, please fill out the registration form on the CBF website homepage and the CBF Youth Coordinator will be in contact with you with information to get your organization started.

REMEMBERING

RYAN SCHLECHTER
February 1, 1980 – June 9, 2016

It is with great sadness and heavy hearts that we announce the passing of Ryan Clarke Schlechter on Thursday, June 9, 2016 at the age of 36 years.

Ryan was a master welder by trade, loved nature and the outdoors especially fishing. Our greatest family holidays were at Jan Lake.

Ryan's winter fun was broomball. He won several awards at all levels and was an elite player.

Ryan will be lovingly remembered by his son, Seth; daughter, Bella and their mother Abby; parents Joe and Patti; sister Angie; and Goddaughter/niece Emma.

Friends who wish to do so may make a donation in memory of Ryan to the Regina Humane Society, P.O. Box 3143, Regina, Sk., S4P 3G7.

Family and friends are invited to sign the online obituary and tributes page at www.reginafuneralhome.ca.

TRIBUTE TO RYAN

By Patti & Joe Schlechter

This may undoubtedly be the most difficult tribute we have or will ever submit. A parent should never have to bury one of their children; this is not the circle of life. It cannot be unsaid that Ryan has left a whole in our heart not only with us, his children, his sister Angie, little Emma, our family, friends but the entire Broomball Community. We have received numerous cards, emails, text messages, telephone calls along with comfort from those who were able to attend the Memorial Service on June 14. We'd like to share a few of those words.

<p>From Amber & Kyle Lockert, Natasha Nostadt & Cole Herold: <i>"May you remember all the great times and Ryan's happy smile. I know we will cherish all the goal scoring we did on and off the ice. May it be the balls in the net or the many laughs and beers afterwards. Also all the smiles he knew how to put on your face".</i></p>	<p>From Tim & Brenda Garvin: <i>"We are so very sorry to hear of your loss. My mother had a tradition of lighting a candle to help light the way for people on their next journey. I have continued this tradition for those we knew and loved - - our candle is lit for Ryan".</i></p>
<p>From the Al Duff Family: <i>"We were so sorry to hear about Ryan's passing. Please accept our deepest sympathies dear Schlechter family. Our thoughts and prayers are with you at this time. It's the warm memories shared throughout the years that help deal with those deep sad times. Our heartfelt sympathies."</i></p>	<p>From Scott Julé: <i>"So sorry to hear about Ryan's passing. Just want to let you know that you are in my thoughts and prayers as you go through this difficult time."</i></p>
<p>From Leonard, Maureen, Ryan, Brook and Amber Wollbaum: <i>"Ryan was a great broomball player! He will be missed"</i></p>	<p>From Rachelle Raymond: <i>"The Broomball Family Community will truly miss him."</i></p>
<p>From Stacey Silzer, SBA Executive Director: <i>"So very sorry to hear about this terrible loss. My heart goes out to you all. Sending love and support your way. The Broomball family will truly miss him. You're in my thoughts".</i></p>	

Ryan was born on the Gold Broom Tournament weekend - - Friday, February 1, 1980. Timing couldn't have been more perfect! As soon as Ryan was born Joe's two brothers escorted him to the bus awaiting to take the team to Saskatoon. Come Sunday Joe thought he'd call my Dad and see how we were doing. My Dad replied they are both good and will be released on Monday. **Perfect** thought Joe. I can have a team party after the tournament. And that's what he did! The bus dropped off the team at our house and they celebrated how well they played and the birth of our son. Monday Joe picked us up and we were on our way home. That night Joe made an amazing dinner. What a Welcome Home we got!

On Ryan's 3rd birthday we got him a goalie net and set it up in our kitchen. He soon learned how to shoot and score with his mini broom!! At age 12 he was playing on his Dad's Sportsman Mixed team. The line consisted of Joe centering Patti on left and Ryan right wing. It was a double header that Sunday. Ryan assisted the goal to his Dad against Kevin Huber's team SGI Canada to win that game. The second game was against Tim and Janet Zinkhan's team Liquor Pigs. Ryan scored the first goal and assisted on another to win that game.

By age 16 Ryan started playing in the Senior Mens Contact League on his Dad's Regina Sportsman team. Ryan was awarded League "Rookie of the Year".

A few years later during the 1998/1999 season Ryan's sister Angie joined the Sportsman Mixed squad. "*The Schlechter Line*" was complete – Joe on defence, Ryan centering his Mum left wing and sister on right.

"*The Schlechter Line*" played together one last time - - the 2013 Southey Masters Tournament with Albert Wollbaum's team Da Chiefs.

This past season Ryan and the Ice Devils Mixed Team won Gold at the City Championships. At the Saskatoon Mixed Provincials the Ice Devils took the Silver medal. Ryan scored two OT goals in two separate games to qualify the team for playoffs at provincials. As well Ryan scored the OT goal in the semi-final game to advance to the Gold game.

A summary of Ryan's medals and awards: Junior National Championships two Bronze medals and 2 Game MVP's; Western Canadian Championships three Bronze medals; Provincial/League 1st Team Allstars nine; Provincial/League 2nd Team Allstars Seven; Provincial MVP's two; Provincial Top Scorer one; Provincials Top Forward/Top Defence four; Provincial Silver medals five; Provincial Bronze medals Ten; Regina Senior Mens League Rookie of the Year; Senior Provincials Top Left Wing (Lyle Villeneuve Award); Senior Mens Tournaments two Silver medals; Sportsman Mens team Top Scorer seven; Junior Tournaments one Silver and one Bronze medal; Boca Raton, Florida Tournament Mixed Division Gold medal and Top Scorer; Regina Mixed League eight Gold medals.

In closing, Joe reflects on Ryan's Broomball career. "*If I would have had Ryan playing on the strong Sportsman and Alford's mens teams during the late 1970's we may have won a National Gold medal. Broomball lost a great player and I'm going to miss watching my son play*".

Respect in Sport (RiS) Policy

Purpose of the Policy:

The Saskatchewan Broomball Association is committed to creating a sport environment in which all individuals are treated with respect and dignity. Coaches have a responsibility to create a sporting environment that is free of harassment, abuse, bullying and neglect.

Respect in Sport is an on-line training course for coaches and sport leaders. It is designed as a tool to assist coaches in identifying and dealing with abuse, neglect, harassment, and bullying in sport. The program provides coaches with tools which will assist them in their ability to deal with legal and moral responsibilities, making them less vulnerable and more confident in dealing with sensitive issues. This program is a risk management tool, which can assist Saskatchewan Broomball Association members to reduce liability.

The Saskatchewan Broomball Association requires that all coaches participating in Broomball have completed the online Respect in Sport (RiS) certification (or equivalency*), as required by Sask Sport Inc.

*Coaches who have taken the new NCCP Empower+ module, Respect in School or the Hockey Canada Speak Out Program will be given equivalency to the Respect in Sport.

Scope and Application:

- The policy applies to all coaches/managers registered or named on an official sport roster under the membership jurisdiction of the Saskatchewan Broomball Association.
- Coaches not holding valid certification will have until December 31st of each year to complete the RiS certification training or training equivalency such as NCCP Empower+, Hockey's "Speak Out" program or Respect in School program.
- The Saskatchewan Broomball Association is responsible for setting out the communication strategy specific to the certification requirements and deadline.

Enforcement:

- Any coach not having RiS certification (or equivalency) by the deadline established will be removed as a coach until such time that the course is completed.
- Non-compliance with this policy may result in further discipline as determined by the Board of Directors or in accordance with The Saskatchewan Broomball Association policy.

The Saskatchewan Broomball Association has implemented this policy effective immediately. All head coaches and non-playing members will be required to complete this online training in order to coach. This is a mandatory program in order to coach the sport of Broomball. If you have any questions, please refer to our website for FAQ's at www.saskbroomball.ca or call Stacey at 306-780-9215.

BROOMBALL TO COMPETE (BTC) COACHING CLINIC – September/October Fall 2016

The Saskatchewan Broomball Association and Broomball Canada are looking to host a Broomball to Compete Coaching Clinic in the fall of 2016. Are there any communities interested in hosting this clinic?

The Broomball to Compete Clinic (BTC) is replacing both the old Level 1 and the Level 2 coaching programs. Training in the BTC context will consist of a 15 hour workshop and modules that cover topics such as Skills Foundation, Planning, Skills Analysis, and Teaching and Supporting the Athlete. The coach will also be required to complete a 3.5 hour Making Ethical Decisions workshop in order to become BTC Trained.

For a coach to become BTC Certified, the coach will be required to build a portfolio that includes 3 lesson plans, an emergency action plan, a skills analysis assignment, and a completed self-assessment and peer assessment. They will also need to be observed coaching in a practice setting in person or by submitting a video to a qualified evaluator (SK has 2 certified Evaluators). The final step will be to complete an online evaluation of the Making Ethical Decisions module.

Certification will be for a five year period after registration as “Certified”. Certification will be maintained provided the coach has been active for two years of the five year period and has obtained three professional development credits during the certification period.

The SBA has minimum requirements for its coaches that intend on coaching at the Minor and Senior Levels. These minimum requirements are Fully Certified Level 1 (from the old coaching system) or BTC Certified (new coaching system). As of 2013 Broomball Canada will require coaches at the Nationals to be BTC Certified. Plus we expect down the road all coaches will be required to have their BTC to coach at any Saskatchewan Provincials.

We are very fortunate that Broomball Canada has chosen to host another BTC course in Saskatchewan and we encourage all interested coaches to attend this clinic. The cost to register for the BTC course is \$200.00 payable to the SBA. The cost for the evaluation portion will be an additional \$150.00. If a coach chooses to pay for both the clinic and the evaluation, the cost will be \$300.00 (a discount of \$50.00). There also is a Making Ethical Decisions course you’ll need to complete and that’s an online course (paid online) and it’s \$85. A portion of these fees may be recovered through your team MAP Grant eligibility. Please refer to the MAP Grant guidelines for your category for details on this eligibility.

The clinic timelines are as follows: (date could change)

Friday – 7:00pm – 10:00pm

Saturday – 8:30am – 7:00pm

Sunday – 9:00am – 3:00pm

*Registration will begin at 6:30pm on Friday.

BROOMBALL TO COMPETE (BTC) EVALUATIONS

The CBF have announced that all coaches who are coaching at Senior or Juvenile Nationals effective 2017 will need to be fully Certified BTC coaches, which means they will need to complete their Evaluations in order to be on the bench at Nationals. Any coaches in the Mixed/Co-Ed Category have until 2018 to be fully Certified BTC.

Any of the coaches in Saskatchewan who took the BTC course in Regina in 2012 MUST get their Evaluation done this year or their BTC training will lapse (as it's the 5 year deadline) and they will have to retake the BTC training over again. Anyone who has taken it in 2013 or 2014, the SBA advises you start making a plan to have your evaluations done as well so you don't fall into this tight of a deadline.

If there are multiple coaches in one area who need evaluations, please coordinate this with those coaches, as the CBF will not send out an evaluator for 1 coach, it must be cost effective to do this. Please get in touch with the CBF regarding your Evaluation and then they will get in touch with an Evaluator for you to complete this process. You'll be asked to complete your portfolio (which was part of your training packages) and send that into the CBF as well. If you have questions about this you can call Stacey at the SBA office, just remember though it's not managed through the SBA.

Sask Sport membership conditions require active and affiliate members to have Dispute Resolution and Harassment and Abuse policies and procedures. The purpose of this membership condition was to place their members in a position to manage or mitigate discipline concerns, complaints, dispute resolution or appeals using recognized fair and due process. To support this requirement, Dispute Resolution and Harassment and Abuse policy templates and procedures had been developed by Sask Sport to assist our members to meet this condition.

Since implementing these mandatory Dispute Resolution policies and processes a few years ago, there has been increased knowledge and more efficient practices developed. The membership, through surveys and meetings, expressed interest in having Sask Sport investigate updating these policies and processes to reflect current best practices to guide them when such situations arise.

The Saskatchewan Broomball Association has implemented these new policies and they can be found on the SBA website. Please review these policies so you know the protocol if something should arise.

- 1) Discipline and Complaints Policy
- 2) Appeal Policy
- 3) Alternative Dispute Resolution Policy
- 4) Code of Conduct Policy
- 5) Conflict of Interest Policy

The 2016 World Broomball Championships Host Committee is working hard to get this event off the ground! They have secured funding from Sask Sport, Sask Tourism, City of Regina, Regina Hotels Association, just to name a few!

We have teams registered from around the world; you can find the list of teams at <http://www.broomball.ca/tournament/modules.php?name=Tournament&eid=157>

Hosting an event of this caliber is going to require a large number of volunteers. Approximately 300 volunteers will be needed to support the event as Regina prepares to welcome visitors from around the world. If you are interested in volunteering that would be greatly appreciated. We ask that volunteers pay a \$25 fee and complete a criminal record check, but you'll receive a jacket and t-shirt for volunteering. You'll be asked to work 12-16 hours during that week, which is 3-4, 4 hour shifts. Volunteer positions include scorekeepers, camera operators, stats keepers, admission attendants, merchandise salespeople, arena runners, security, office administrators, team ambassadors, translators / interpreters and airport greeters.

Volunteering is a superb way to gain life experience and to meet new people. Diversity of volunteers provides significant networking opportunities as well. Event participants, spectators and fellow volunteers can be a rich source of inspiration and can help individuals in developing interpersonal skills. Volunteering also provides an opportunity to develop lasting personal and professional relationships. Networking is an exciting benefit of volunteering and you never know you will meet or how you may impact each other's lives.

To register as a volunteer please go to: <http://www.broomball2016.ca/volunteer/>

The Host Committee has also launched a Merchandise page, which has items for sale only online prior to the event. Jackets, t-shirts, sweat pants etc. Feel free to check it out; we won't have items like this for sale at the event.

The website for the merchandise is <https://worldbroom.itemorder.com/sale>
